The reply should be confined to answering any new points raised in the response, and not previously dealt with in the complaint. The Expert will not be obliged to consider any other material included in the reply.

Important Note: We **DO NOT** advise typing the text directly in the text field below. It is much better if you write your document in a **word processor** (e.g. Word), SAVE IT, then cut and paste the contents into the field below.

## Your Declaration [\[?\]](#)

I, the Complainant agree that my claims and remedies concerning the registration of the Domain Name, the dispute, or the dispute's resolution shall be solely against the Respondent and that none of InternetNZ, the DNC, NZRS, any Registrar, Expert or Mediator, nor any of those entities' councillors, officers, employees or servants (as applicable) shall be liable for anything done or omitted in connection with any proceedings under the Dispute Resolution Service unless the act or omission is shown to have been in bad faith.

The information contained in this complaint is to the best of my knowledge true and complete. This complaint is not being presented in bad faith, including not being for a dominant purpose other than resolving the issue of who the proper registrant of a Domain Name is, and the matters stated in this complaint comply with the Policy and Procedure and applicable law.

I agree to the terms of the Dispute Resolution Services Policy and Procedure, and agree to be bound by any resulting Decision, subject to any rights of review or appeal.

I acknowledge that if the Expert orders a transfer of the domain name(s) to me or at my request, I will need to select an Authorised .nz Registrar to provide me with the necessary .nz registry and other services in respect of domain names(s). I will advise the DNC of mydecision on request.
