

## **.iwi.nz Moderation Policy Review Submission**

Hello folks,

I am not making a formal representation from any iwi, but here is my personal opinion for what it is worth

1. The decision to extend to include a wider range of groups under the iwi category seems a reasonable one.
2. The decision to allow other trading enterprises in the iwi to also register without any apparent restrictions in format etc is potentially damaging one. I agree that it may be sensible for iwi to be able to include these but it should be only as a subfield attached to an approved iwi name "ngatixxx" otherwise the whole iwi name thing will turn to spam.

e.g. health.ngatixxx.iwi.nz  
learning.ngatixxx.iwi.nz  
history.ngatixxx.iwi.nz  
tourism.ngatixxx.iwi.nz

That's my line for what it is worth.
