Dear Jordan and Brent

Response to 4 June 2020 letter: Commission's emergency COVID-19 response

Thank you for the letter from the Commission outlining the use of emergency powers in relation to the COVID-19 pandemic.

I am pleased to note that no significant issues were detected, and we welcome the transparent nature of the approach that you have taken.

I support your view that this particular emergency phase is now over, and that we are back in "business as usual".

Yours sincerely

Jamie Baddeley
President
