

**Registering, Managing and Cancelling Domain Names Policy Review
Submission**

From: Karaitiana Taiuru

Received: 30 August 2006

6.* Required to be updated to reflect the DNC disputes process.

8.10. [This may impact several policies.] If an authorised registrar can change the registrant of a moderated 2LD without agreement from the moderator, this could breach the relevant moderation policy. Suggest to include moderator or DNC approval required and update the other relevant policies.

11.7 No longer relevant.
